\* The table represents single count of programme and implementing partners. The partners shown include only those who have been reported their activity status as "completed" or as "ongoing" in the monthly 4W as of September 2021 and only intended as a representation of available data. The actual number of partners and activity in the field could be different than reported.

\* The table represents single count of programme and implementing partners. The partners shown include only those who have been reported their activity status as "completed" or as "ongoing" in the monthly 4W as of September 2021 and only intended as a representation of available data. The actual number of partners and activity in the field could be different than reported.
