AGENDA ITEMS DISCUSSION			
AGENDA ITEMS	Main Points and Discussions	Action Points	Responsible
Protection Sector updates	<ul style="list-style-type: none"> <li>• The Protection Monitoring reports for the first and second quarters of 2022 have been finalized and shared with UNHCR for endorsement. The report for the third quarter is being compiled.</li> <li>• The Protection Sector participated in the observation of the International Day of Persons with Disabilities (IDPD) on 3rd December. A number of events were organized over multiple days which were organized by the Age and Disability Working Group (ADWG) and disability-focused partner organizations.</li> <li>• The Sector is in the process of shifting a few remaining reporting mechanisms to Activityinfo from Excel/other kinds of reporting. With that view, multiple meetings and training sessions were held to initiate reporting through Activityinfo from the beginning of 2023. The Sectors and the CP and GBV Sub-Sectors are also working on integrating some of the IM products.</li> <li>• The new volunteer guidelines have been approved by the government and the Sector has circulated the documents with all partners. Along with a general increase in stipends and restructuring of volunteer categories, a number of guidelines have been specified. There has been changes in the titles of Protection volunteers compared to last year. The final document will be recirculated with the updates when ready.</li> <li>• UNHCR is developing a data sharing policy on volunteer information to be discussed between the ISCG and the government. The policy will outline the volunteer information that can be shared and under which conditions. Details will be shared when the policy is ready to be circulated. Partners are requested not to share Rohingya volunteer information with the government. However, information on Host Community volunteers can be shared.</li> <li>• A fake Google form has been circulated by unknown sources that is being presented as application for durable solutions and is asking for personal information from the refugees. The Sector has circulated emails on behalf of the UNHCR Durable Solutions team to create awareness against these fake forms and key message that organizations can use to raise awareness of refugees. It was reiterated that there is NO application processor self-referral procedures for resettlement.</li> </ul>	<ul style="list-style-type: none"> <li>- Revised volunteer guidelines documents to be shared when ready</li> <li>- Volunteer data sharing template to be shared when ready</li> </ul>	Michel Huyghe Protection sector Coordinator
