GBVSS Updates

- 09/07/23 – 13/07/23 ToT on Gender Transformative Approach (GTA) 35 participants (F-29, M -6). The main objective was to equip participants with the specific skill set and key takeaways to apply gender transformative approaches (GTA) in the design of new programs and implementation of current projects which can then be cascaded to all relevant actors, as well as supporting ongoing assessments and adjustments to existing programming.
- JRP agencies service facility mapping tool for Q2 (April-Jun 2023) updates ongoing, will be completed end Jul
- GBVSS contact list has been updated [HERE](#), after the update, there are total 60 member agencies in the GBV (where 8 are UN agencies, 20 INGOs, 30 NNGOs and 2 Red cross society)
- GBVIMS TT meeting: discussed Q2 data, including requesting partners to submit top 5/3 camps within their AoR with the highest GBV incidents, as these data cannot be retrieved by the GBVSS through the compiled information through the Data gathering organizations.
- Meeting with the ADWG, CMWG and GBV Nexus team: discussed the support the ADWG could provide in supporting survivors with disability during the case management process, they highlighted that the pool of trainer for sign language is less than 2 person in Cox;s bazar, making it difficult to reach the target population

PSEA Network Updates

- PSEA Network Associate is onboard, please include the email to your future correspondences.
- PSEA SOPs were endorsed last year in April, currently revised with gaps and good practices identified, shared with SEG co-chairs for their feedback and endorsement at SEG meeting.
- Survey on Perception/Usage of and Impact of our work on Complaint and Feedback Mechanism was completed last month, happy to present the key findings in the next meeting. New Survey covering the whole camps is underway.
- New website is published, please check PSEA under cross-cutting issues and provide feedback, if any.

6. AoB

Case Transfer - CPIMS+ in BC and CXB:

- BRAC, CODEC open the discussion the use of CPIMS+ for case management for confidentiality at Bashan char.
- BRAC brought up the issue of child protection concerns at Bashan Char doesn't adequately address and depict the entire picture.
- UNICEF affirms that the roll-out of CPIMS+ for case management is underway, and all UNICEF implementing partners at Bashan Char will use it.

World Drowning Prevention Day:

- World Drowning Prevention Day is on July 25. The day will be observed as a collaborative initiative of CPSS, and an email with a poster and essential messaging for Prevention Day has been sent out to all CPSS partners.

6. AoB

NGO contribution:

- IRC will assist with the Bengali translation of case management guidelines
- While facilitating the life skills training (held on 18 - 20 July), WVI and SCI noticed that the existing module needed to be revised and translated into Bengali. UNICEF responded by confirming that the module had already been translated so, yet the revision is still required. WVI is happy to help with the entire process.
