**PSEA Network Updates**

**PSEA Network Associate**

The PSEA Network Coordinator introduced the newly appointed PSEA Network Associate to the members. The PSEA Associate will support the coordination of the activities that the PSEA Network leads for the Rohingya humanitarian response under the direct supervision of the PSEA Network Coordinator. Contact Details of the PSEA Network Associate:

Name: Rajib Rahman

Mobile (WhatsApp): +88 017795 72730

Email: [rajib@iscgxcb.org](mailto:rajib@iscgxcb.org)

**ISCG New Website**

The PSEA Network Coordinator shared the new [Rohingya Refugee Response website](#) with the meeting. At the same time, he shared [Protection from Sexual Exploitation and Abuse \(PSEA\) Network’s webpage link](#). The PSEA Network’s webpage can be found under the **CROSS-CUTTING** section of the main website.

The PSEA Network Coordinator requested the members to share their valuable feedback and suggestions in the next meeting to improve the website and make it more user-friendly.

**PSEA Network Co-Chair Selection**

After receiving several feedback and suggestions from the network members, the meeting decided on the below action points regarding the Co-Chair Selection:

- The Network will share the Terms of Reference (ToR) of the Co-Chair with the members.
- The three final nominees are Humanity and Inclusion, Relief International, and Terre des Hommes.
- The nominees will share short notes (200 words) on how they will contribute to the Network. The Network will reach out to all of them within the next week.
- The Network members will then anonymously vote for the competent member for the position. After that, the Network will announce the PSEA Network Co-Chair based on the votes within the next week.

- Each organization will vote once. The Network will share the voting link with the PSEA Focal of the member organizations.
- The tenure of this position will be six months.

### **Complaint Feedback Mechanism (CFM) Survey in the Camp (NPM) and upcoming survey**

CFM survey ([PSEA: Awareness of Reporting Mechanisms for Sensitive Issues in the Rohingya Camps](#)) is jointly conducted by IOM Needs and Population Monitoring (NPM) and PSEA Network. The survey is held to assess the overall CFM standards including safety, confidentiality, transparency, and accessibility of the existing CFMs. The sample size for each survey is approximately 600/700 respondents. Until now, the NPM and the PSEA Network conducted 3 surveys. The first one was conducted from December 2021 to January 2022, the second was from August 2022 to September 2022, and the latest one was conducted in June 2023. This survey occurs every six months. The first two survey reports have been published (please see the attachments) and the third one will be published in July 2023.

- The Network will share the key findings and the executive summary of the latest survey report in the next meeting (2 August 2023).

#### **1) Presentation – “An overview of PSEA at the Frontline: Together We Say No”**

The National PSEA Officer of IOM, Cox’s Bazar, shared a presentation on “An overview of PSEA at the Frontline: Together We Say No”. At the same time, she shared [the link](#) of the webpage of the “PSEA at the Frontline-TOGETHER WE SAY NO” with the participants. The PSEA Network Coordinator suggested that we need to launch the campaign as soon as possible. He also added that the campaign is inclusive, but it is not Bangladesh context-specific, and the products might be contextualized.
