

# Next steps: Outcome Humanitarian Access workshop

Humanitarian access workshop was organized on 23rd of May 2023 in participation of 13 INGOs, 10 Bangladeshi NGOs, three UN Agencies, ICRC and NGO Platform.

**Objective:** Identify and validate short-mid-long-term priority access constraints.

## PRIORITY ACCESS ISSUES

1. **Permission for public transport (CNG/TomTom) accessing refugee camps in an agreed modus operandi**
2. **Need for a common project completion document based on NGOAB format**
3. **Harmonized and agreed upon checklist for ‘need assessment approval’, developed and circulated by RRRC.**
4. **Directive from RRRC clarifying issues/exceptions related to volunteer guideline**
5. **Extension of FD7 implementation period from 6 months to one year**
6. **Advocacy with NGOAB to provide smooth and simplified registration process of NGOs**
