Key Discussion Points:	Action points
<p><u>HI ST-MC update sharing in the TWG meeting after SAG meeting.</u></p> <p>IYCF TWG Chair presented the details of the HI ST-MC in the SAG meeting and members give some feedback. Afterword, TWG Chair initiate a meeting with UN agencies and HI for the discussion and clarification, but UN agencies could not be able to manage time. It is recommended that the meeting can be arranged on the starting of November 2023 with availability of UN agencies.</p>	<ul style="list-style-type: none"> • Meeting will arrange on 1st or 2nd week of November 2023.

<p><u>PIN of IYCFE counselling activities for 2024 JRP indicator.</u></p> <ul style="list-style-type: none"> As discussed in the earlier ad-hoc meeting of IYCF JRP indicators, ACF was responsible to provide CMAMI breastfeeding difficulties data and will provide that after their internal communication on 22nd October 2023. It is suggested and agreed for finalization of all IYCF TWG members on ad-hoc meeting of JRP indicator of IYCF one to one counselling 52%. PW one to one counselling target finalize on 70% based on the field achievement and suggestion of NS. Ad-hoc meeting minutes shared by the TWG Chair earlier. It is suggested to revise the recording and reporting format to clarify any duplication/under-report/over-report (if happened). Members suggested that the indicators need to be segregated for accurate reporting. NS will arrange 2-days IMO workshop to revise all the recording and reporting tools used in INFs. It is suggested to share IYCF, CMAMI recording and reporting tools of IPs with TWG. IYCF TWG will revise and come up with suggestion before IMO workshop. 	<ul style="list-style-type: none"> ACF provides data on 22nd October 2023, and it's received by end of the day. The result is 26.7% for cases identified for breastfeeding difficulties of CMAMI. One to one counselling of 6-23 months children's caregiver will be 52%. One to one counselling of PW will be 70%. NS will arrange 2-days IMO workshop to revise the recording and reporting tools of all implementing partners. IPs will share IYCF, CMAMI recording, reporting tools by 2nd Nov 2023.
<p><u>Home Fortification with Micronutrient Powders discussion among TWG members</u></p> <p>TWG discussed the new proposition of home fortification with Micronutrient Powders among the children at Rohingya camps. As there is no opinion received of the circulated mail of NS; based on discussion, TWG will circulate the following mail regarding this.</p>	<ul style="list-style-type: none"> TWG circulated a follow up mail for the suggestion and opinion of IYCF TWG members on 22nd October 2023.
<p><u>NBF child management of UNICEF served camps - update of existing child's support and future support plan.</u></p> <p>TWG expresses the concern of the existing non-breastfed children at UNICEF served camps as they are out of feeding supplies and become vulnerable. As per the discussion NS will approach</p>	<ul style="list-style-type: none"> NS will approach these issues to UNICEF.

<p>UNICEF regarding this issue. It is expressed that the topic is burning and needs to be resolved at earliest. Members referred to an earlier discussion of providing support for ACF SC. Unfortunately, it is not feasible to support them in the facility-based formula feeding.</p>	
<p><u>AOB</u></p> <p><u>Joint visit group formation and date finalization</u></p> <ul style="list-style-type: none"> Joint field visit group formatted and shared for feedback from TWG members, but none received. Visit plan will be discussed in the next TWG meeting. 	<ul style="list-style-type: none"> The joint field visit plan will be discussed in next TWG.
