Key Discussion Points:	Action points
<p><u>Introducing Recording format of IYCFE Messaging from 2024 based on JRP target.</u></p> <p>There was no specific and harmonized recording tool format for the IYCF group messaging session, according to the JRP 2024 target settings TWG presented a recording tool format and described and collect feedback from all partners and incorporated.</p> <p>After a fruitful discussion, it was decided that the beneficiaries for one to one counseling and participants for the group messaging will both have their separate unique IDs and partners will count as per participants' ID number instead of the service.</p> <p>TWG also presented the monthly IYCF reporting format for the revision of and addition of the indicators to review by all the TWG members.</p>	<ul style="list-style-type: none"> • TWG Co-Chair will share the IYCF group messaging session format, CMAMI and IYCF monthly report format – online version with the TWG meeting minute.

<p>The reporting of wet nursing support, relactation and NBF child support by BMS needs to be added on the CMAMI monthly report. As per the discussion, TWG will share the CMAMI and IYCF monthly report format (online version) for member's input and quick review.</p>	
<p><u>HI ST-MC update!</u></p> <p>Shifted as a separate meeting on the same day regarding the issue as per the discussion of last IYCF TWG meeting.</p>	
<p><u>Home Fortification with Micronutrient Powders discussion among TWG members</u></p> <p>Members suggested MNP to be a priority agenda for 2024.</p> <p><u>NBF child management of UNICEF served camps - update of existing child's support and future support plan.</u></p> <p>As NS reached UNICEF for the support of the vulnerable group of children, UNICEF approached that they will announce the official support modality with IYCF TWG at earliest convenience.</p> <p><u>Joint visit for IYCF/CMAMI</u></p> <p>In the new year, there will be changes of programme partners, services and there will be need of joint visit to every component to evaluate the services quality as per NS recommendation.</p>	<ul style="list-style-type: none"> • UNICEF will further discuss the detail modality of NBF children management. • Joint monitoring visit date will be fixed on next meeting in 2024.
<p><u>AOB</u></p> <ol style="list-style-type: none"> 1. Members emphasized on the quality of IYCF services and proposed to add an agenda regarding the identified gaps in the next meeting. Partners need to share the soft versions of IEC tools using in the camp context with the TWG. 2. All the IEC/BCC materials that are used for IYCF intervention will be reviewed in next 	<ul style="list-style-type: none"> • Members will share the soft versions IEC/BCC materials used with TWG before the next meeting date is proposed for 2024.

<p>TWG meeting. Members shared the concern that they face challenges from CiC regarding the language (Bangla) used in the IEC/BCC materials. UNICEF agreed enthusiastically to share the IEC package developed by SCI.</p>
