3. GBV and child protection referral pathways are incorporated into internal standard operating procedures and protocols for supporting victims of SEA;
4. Awareness raising activities on PSEA are regularly conducted both internally and with the affected community.
5. PSEA FPs conduct trainings/refresher trainings to the staff and related personnel of their respective organizations including on protection against retaliation for reporting misconduct in line with their organizations internal policies.
6. The senior management conduct regular internal PSEA discussions.
