Each organization ensures that:

1. The contact list is kept up to date;
2. The PSEA Focal Points are trained and supported in performing their functions, both internally and at the inter-agency level;
3. GBV and child protection referral pathways are incorporated into internal standard operating procedures and protocols for supporting victims of SEA;
4. Awareness raising activities on PSEA are regularly conducted both internally and with the affected community.
5. PSEA FPs conduct trainings/refreshers to the staff and related personnel of their respective organizations including on protection against retaliation for reporting misconduct in line with their organizations internal policies.
6. The senior management conduct regular internal PSEA discussions.
7. Programme and Human Resources Managers keep track of the staff regarding the compliance with mandatory online /in-person training and report to the Head of Agency.
