# Introduction

# Training Needs Assessment

## Additional comments

- Training on Gender responsive and Gender transformative approach.
- Job placement and linkage with stakeholders
- Partnership Development Training
- Communication skills should also focus on field mission briefings for difference audiences

# Sector Evaluation

## Additional comments on Improving coordination

- Meaningful participation of partners
- Technical assistance for fund mobilization
- Joint planning and Exposure visit /Field visit.
- Learning sharing event, capacity building initiatives
- Contextual guideline and training for the actors of this sector
- Dedicated discussions/meetings outside the regular monthly meeting scope to allow partners to discuss key/technical issues more extensively
- virtual meeting is less effective.

## Challenges:

- To much meeting and reporting took more time

# Information management products

- Lessons Learned Exercise
- Partner Presence
- Partner Profile

*Thank you*
