

### **Welcome and Opening Remarks:**

The meeting opened with a warm welcome from Prosenjit Baidya (Disability Specialist, ISCG), who thanked members for their ongoing commitment to age and disability inclusion in the Rohingya response. He appreciated the contributions of members and encouraged continued collaboration to strengthen inclusive practices across all levels.

### **Discussion of Meeting Agendas:**

<b>Sr. No.</b>	<b>Agenda</b>	<b>Discussion</b>	<b>Action Point</b>
1	Operational Update – ISNA	Data collection on ISNA is ongoing and is expected to be completed by second week of September.	After the data is finalized, the reporting process will be conducted and ADTWG members are requested to share their interest in preparing the analysis and reporting.
2	Presentation on Disability Inclusion Sectoral Need Analysis	From HI, Mr. Atiqur Tushar presented the findings of the recently completed Disability Inclusion Sectoral Need Analysis findings. He shared the gaps identified in each sector and also the recommended actions with the meeting participants.	The findings will be used for advocacy with relevant sectors to strengthen disability inclusion and improve access to services.
3	IEC Material Development by Humanity & Inclusion	It was shared that HI, based on a consultation workshop with sectors, OPDs, and partners, in January has prepared some thematic areas for producing inclusive IEC materials.	HI will prepare IEC materials on inclusive Education, Health, IHA, Rehabilitation, MHPSS, and Protection.
4	Presentation by CDD on monthly Activity Update	Shared an update on technical support provided to Care Bangladesh for assistive device distribution, conduction of CHW training on rehabilitation referral, observance of World Humanitarian Day, conduction of access audits, and orientation support for ISNA data collectors.	Share similar updates on activities in the upcoming months.
5	Half-Yearly Bulletin	Prosenjit Baidya shared the summary of the half yearly bulletin and thanked the members for their contribution.	Disseminate the bulletin to stakeholders.
7	Access audit	A discussion was held on the access audit and its findings, as well as the challenges identified in the previous audit. It was noted that IOM had previously conducted similar activities, and reviewing their findings could be helpful.	Review previous access audit findings to guide current and future accessibility assessments.

8	Upcoming Activities (September)	The AD TWG will assist CDD in conducting a workshop on technical support for disability inclusion, integrate SADD data into 4W/5W reporting, organize an RAAL Lab workshop (HI) for health sector partners to strengthen disability-inclusive practices, and develop the Disability Inclusion Resource Hub website.	Coordinate and implement September activities, including workshop on SADD data integration, RAAL Lab workshop, and development of the Disability Inclusion Resource Hub website.
