

Welcome and Opening Remarks:

The meeting opened with a warm welcome from Prosenjit Baidya (Disability Specialist, ISCG), who thanked members for their ongoing commitment to age and disability inclusion in the Rohingya response.

Discussion of Meeting Agendas:

Sr. No.	Agenda	Discussion	Action Point
1	Operational Update – ISNA	Data collection for the Inter-Sector Needs Assessment (ISNA) has been completed and the narrative for Age and disability has been submitted. The reporting compilation process is ongoing, and the final report will be shared once finalized.	Share the final report once prepared.
2	Update on facilitation support for GBV sub sector	Three days technical support on age and disability inclusion part has been provided to women leadership training under GBV sub sector.	Continue collaboration with GBV sub sector in the upcoming days.
3	Technical Support Needs (Protection Working Group – PERU Training)	Due to multiple engagements, the training was postponed. Training Topics: Types and categories of disability, identification methods, available services, etiquette for engaging with persons with disabilities, and Disability-Inclusive Disaster Risk Reduction (DiDRR).	Once the date is finalized, CDD will provide the facilitation support.
4	New learning tool Development	HI is working on developing the following new tools: different thematic IEC materials, DI self-assessment checklist, tip sheet on creating Conducive Inclusive Teaching and Learning Environment	Once the documents are finalized, share the documents with members.
5	JRP 2025	Discussion was made on the JRP timeline and engagement of ADTWG members in the Peer review process of different sectoral projects submissions.	ADTWG members to take part in the peer review process of JRP.
6	IDPD 2026 observation	Discussion was made on the IDPD observation plan of different organization.	Share a draft plan with members, and members to update their observation plan as well as possible contribution amount for IDPD observation at Cox’s Bazar.
7	Upcoming Activities (November)	Planned actions include: - Preparation and launch of the Disability Inclusion Resource Hub website. - Finalization of the ISNA 2025 and shared with stakeholder. - Work on JRP peer review process. - Conduct access audit for women and child friendly spaces and installation of reasonable accommodation.	Responsible partners to follow up on planned actions and share progress during the next monthly meeting.
