**Protection Services**

Protection services include legal aid, documentation support, protection monitoring, and community-based protection mechanisms.

**Child Protection Services**

Child Protection Services include access to child-friendly spaces, multi-purpose centers, psychosocial support, and case management for children and their caregivers. This encompasses support for unaccompanied and separated children, child labor cases, and other child protection concerns.

**GBV Services**

GBV services for Rohingya refugees encompass safe spaces, psychosocial support, medical care, case management, and capacity-building for prevention and response.

**Protection Services**

Protection services include legal aid, documentation support, protection monitoring, and community-based protection mechanisms.

**Child Protection Services**

Child Protection Services include access to child-friendly spaces, multi-purpose centers, psychosocial support, and case management for children and their caregivers. This encompasses support for unaccompanied and separated children, child labor cases, and other child protection concerns.

**GBV Services**

GBV services for Rohingya refugees encompass safe spaces, psychosocial support, medical care, case management, and capacity-building for prevention and response.

**Protection Services**

Protection services include legal aid, documentation support, protection monitoring, and community-based protection mechanisms.

**Child Protection Services**

Child Protection Services include access to child-friendly spaces, multi-purpose centers, psychosocial support, and case management for children and their caregivers. This encompasses support for unaccompanied and separated children, child labor cases, and other child protection concerns.

**GBV Services**

GBV services for Rohingya refugees encompass safe spaces, psychosocial support, medical care, case management, and capacity-building for prevention and response.

GBV focal points will connect you with case management and other specialized services as needed

**Protection Services**

Protection services include legal aid, documentation support, protection monitoring, and community-based protection mechanisms.

**Child Protection Services**

Child Protection Services include access to child-friendly spaces, multi-purpose centers, psychosocial support, and case management for children and their caregivers. This encompasses support for unaccompanied and separated children, child labor cases, and other child protection concerns.

**GBV Services**

GBV services for Rohingya refugees encompass safe spaces, psychosocial support, medical care, case management, and capacity-building for prevention and response.
