Protection Services

Protection services include legal aid, documentation support, protection monitoring, and community-based protection mechanisms.

Child Protection Services

Child Protection Services include access to child-friendly spaces, multi-purpose centers, psychosocial support, and case management for children and their caregivers. This encompasses support for unaccompanied and separated children, child labor cases, and other child protection concerns.

GBV Services

GBV services for Rohingya refugees encompass safe spaces, psychosocial support, medical care, case management, and capacity-building for prevention and response.

GBV focal points will connect you with case management and other specialized services as needed

Protection Services

Protection services include legal aid, documentation support, protection monitoring, and community-based protection mechanisms.

Child Protection Services

Child Protection Services include access to child-friendly spaces, multi-purpose centers, psychosocial support, and case management for children and their caregivers. This encompasses support for unaccompanied and separated children, child labor cases, and other child protection concerns.

GBV Services

GBV services for Rohingya refugees encompass safe spaces, psychosocial support, medical care, case management, and capacity-building for prevention and response.

Protection Services

Protection services include legal aid, documentation support, protection monitoring, and community-based protection mechanisms.

Child Protection Services

Child Protection Services include access to child-friendly spaces, multi-purpose centers, psychosocial support, and case management for children and their caregivers. This encompasses support for unaccompanied and separated children, child labor cases, and other child protection concerns.

GBV Services

GBV services for Rohingya refugees encompass safe spaces, psychosocial support, medical care, case management, and capacity-building for prevention and response.
